**MEMORANDUM FOR:** Special Action Staff, OSA  
**SUBJECT:** Updating of SAC OPORD 1009  
**REFERENCE:** Memorandum, subject same as above,  
dated 3 March 1967 (IDEA 0215-67)

**Following submitted:**

25X1A a. Proposed revision of SAC OPORD 1009, paragraph X(S) (U) General Instructions, subparagraph (S)(S). Does this paragraph imply that all Air Force personnel assigned to Project Headquarters, [REDACTED] will be transferred to SAC? Believe this should be clarified to include the following:

Until such time as IDEALIST resources in the Pacific area or anywhere else in the world that they might subsequently be stationed or deployed, are released to SAC, Air Force personnel assigned to those areas and to Project Headquarters will remain with their assigned unit at that time. As IDEALIST resources are released to SAC, Project Headquarters will then notify Air Force of the availability of Air Force personnel for reassignment.

b. Reassignment of personnel from one major command to another is normally an Air Force function. It is believed that Air Force personnel, when they become available for
